### Work Experience

**HAP Recruitment – Bartender/Waitress across the U.K. (2015 - present)**

A temporary part-time job, working as a bartender and bar back at various events such as sporting games, music concerts and festivals across the country throughout the year. I have frequently been chosen to work within VIP areas of such events due to my hard work & dedication to the role.

**Loughborough Students' Union – Bar Staff in Loughborough, U.K. (2016 - 2019)**

At university, I had part-time weekly bar staff shifts as well as being on the front door. Here, I dealt with demanding crowds in a constantly fast-paced environment for large-scale events such as concert nights and fresher's fortnight.

**Group 4 Securicor (G4S) – Customer Service & Events Steward in Wimbledon, U.K. (2015 - 2019)**

For the past few Summers, I have worked as an event steward at various locations across the U.K. This included opportunities to be a part of huge events such as Brighton Pride and the Wimbledon Championships, where I was guarding the Royal Enclosure and the Centre Court debentures' entrance. This role taught me the importance of providing great customer service and how attention to detail can affect a customer's experience.

**Wasteland Ski – Resort Representative in the Alps/ Pyrenees, Europe (2015 - 2018)**

With this role, I helped organise group ski trips from the client's pick-up points to drop-off at the end (and in resort). Our priority was to manage the clients' experiences throughout the trips and to ensure that the week ran smoothly.
